EDUCATION

PhD Communications - Expected May 2017

Medill School of Journalism, Northwestern University, Evanston, IL

- Advisor - Dr Rustam Aliyev
- Thesis - “Statistical Modeling in Sports Gambling: Is the “Gut” a Better Predictor than R Code?”
- GPA: 3.98

M.S. Aerospace Engineering - September 2015

Stanford University, Stanford, CA

- Research Project - “The Effect of Nuclear Propulsion Resistance Training on the Maximum Squat of Interior Linemen”
- GPA: 4.00

B.A. Women and Gender Studies - May 2013

St. Olaf University, Northfield, MN

- GPA: 2.5

EMPLOYMENT

Director of Baseball Operations, Chicago Cubs - October 2011 - March 2017

- Orchestrated trades, draft picks, and free agent signings to rebuild a bottom feeding MLB franchise to back to back postseason appearances
- Exploited markets and weaker systems in the process of creating a World Series Champion
- Single handedly set the wheels in motion to overcome a 71 year old curse and 108 year old World Series drought through clever front office moves and mild tomfoolery

Night Shift Custodian, MIT - August 2008 - May 2009

- Responsible for the cleaning of chalk boards and waxing of floors after lecture hours
- Solved complex mathematical equations left on the chalk boards, including a problem involving homeomorphically irreducible trees
- Attended counselling session with Robin Williams
- Saw about a girl

COMBINE

2017 NFL Combine, Lucas Oil Stadium. Indianapolis, IN - March 2017

- 225 lbs bench press - 28 reps
- 40 yard dash - 4.39 seconds
- Broad jump - 130 inches
- Vertical jump - 40.3 inches
- Wonderlic - 49

COLLEGIATE EXPERIENCE

NCAA Men’s Varsity Hockey, St. Olaf College, Northfield, MN - August 2010-May 2011

- Competed in multiple practices as a member of the 6th “white line” unit
- Serviced the team as a practice penalty killer, drill wrecker, and cone
- Performed a breathtaking rendition of *Where is the Love* at the team’s formal party
